† Two meetings involving one "Open Market" meeting and one meeting involving one "Open Market" meeting and one meeting.

These findings highlight the importance of early social support and encouragement in the career and leadership development process. They suggest that students and young adults may skip ahead into graduate programs that otherwise may build up a solid foundation. This higher preparation, in turn, may increase the college experience. The study also points to ways that students and young adults may make the transition to the workplace and beyond.

1. The first step is to identify the problem. This involves understanding the symptoms and the context in which they are occurring.

- **Real estate is a selling strategy of specialists** (Challenge is to make sure who gets the highest amount for a good real estate)
- **Real estate specialists do jobs** (There are many specialists: 1) Broker 2) Real estate agent)
- **The higher your price, the more sophisticated the market** (Degree of market maturity)
- **Specializing is a game** (One has to own a monopoly) (Lawrence H. White, 1998, p. 104)
